Mrs. Henry Derring, 489 Main St., Norwich, Conn., says: "I suffered terribly from pains in my back and t thing they were due to disordered kidneys. I was always in great misery when I lay down and often was unable to sleep. Mornings when I arose I felt so stiff and iame that I could scarcely get about, and if I stooped sharp twinges seized me through the loins, making it hard for me to straighten. wille At times my face was so badly swollen that my eyes were closed. My ankles also swelled and my kidneys were in a very bad shape. Although I was treated by physicans I obtained no benefit until I heard of Doan's Kidney Pills. Their use improved my condition in every way, in fact, to so great an extent that I felt like a different person. My experience with Doan's Kidney Pills warrants me in recommending them in the highest terms."
